

Waldorf University invites applications for a full-time tenure-track faculty position in Elementary Education and/or Special Education. The successful candidate will bring passion and demonstrated excellence. This individual will teach undergraduate courses in elementary and/or special education and other courses per their training and experience. Familiarity with Iowa teacher licensing is preferred. The position begins August 3, 2022.

Waldorf's Education Department seeks to build on a tradition of excellence in teacher preparation while looking to the future. Growing diversity and global connectedness require team players that are open to new platforms for teaching and learning. The Education Department supports students' unique gifts and interests by offering a wide variety of teaching endorsements. More information about Waldorf University can be obtained at www.waldorf.edu and the Waldorf Education Department at <https://www.waldorf.edu/academics/degree-programs/bachelors/bs-education> .

Candidates should possess the following:

- Doctorate degree with recent K-12 experiences.
- Minimum five years of licensed K-12 learner-centered teaching experience.
- Ability to effectively teach, advise, and mentor students.
- Excellent communication skills.
- Ability to work successfully independently, as well as collaboratively, with students, colleagues, and the larger university community.
- Eagerness to serve on campus-wide committees, support the overall advancement of Waldorf University and the Education Department, and assist with Departmental responsibilities.
- Commitment to ongoing professional development and program improvement.
- Familiarity with teacher certification, program review, and accreditation desired.
- A motivation to grow and develop both the residential and online programs.

Essential Duties Summary

1. Teach undergraduate teacher education courses (approximately 24 credits a year)
2. Collaborate on department business, including the progression of students in the program
3. Supervise preservice teachers in clinical settings
4. Advise preservice teachers regarding career paths and course registration
5. Meet with prospective students and help with orientation activities

Benefits: Waldorf offers a comprehensive benefits package including: life, LTD, 401k match and tuition benefits for employees and their families, in addition options for health, dental, vision, short-term disability, identity theft protection, legal support, supplemental and voluntary life insurances, and FLEX spending plans.

Application: Please apply using the link below, uploading a letter of interest addressing the qualifications above and the candidate's ability to prepare engaging teachers to serve a diverse community of learners, a current vita, names of three professional references, and photocopies of undergraduate and graduate transcripts (official transcripts will be required of final candidate).

Application by persons in under-represented groups is particularly encouraged. *Review of applications will begin immediately and continue until the position is filled.*

Since 1903, Waldorf University has created opportunities for learning and service to students seeking well-rounded lives through education by establishing engaging online and residential communities centered on learning and faith. The Mission of Waldorf University educates the entire person, equipping students for lives of fulfillment in communities where they live and serve.
